School Newsletter

A Busy and Exciting Few Weeks!

Dear Parents and Carers,

It has been a very busy and exciting couple of weeks at school, with a range of class trips, visitors and special activities taking place across all year groups. The children have represented our school wonderfully and have embraced every opportunity with enthusiasm, curiosity and excellent behaviour.

Sports Day Success!

A huge **thank you** to everyone who came along to support our Sports Day. It was a lovely afternoon and a wonderful celebration of our school community.

We were particularly proud of the fantastic sportsmanship shown by all of the children. Our family groups really demonstrated our school values, with older and younger children encouraging, helping and supporting one another throughout the events.

There was some fantastic running, plenty of determination, and lots of cheering from the side-lines. Combined with delicious cream teas, beautiful sunshine and plenty of laughter, it made for a very special afternoon.

Mary Poppins is Taking Flight!

Rehearsals for **Mary Poppins** are going extremely well, and the excitement is building throughout the school. The children have been working incredibly hard learning their lines, songs and choreography.

If you haven't already purchased your tickets, please make sure you do so soon. I can honestly guarantee that you will enjoy it! The cast and staff are putting together a truly magical production and we cannot wait to share it with you.

Thank You During the Heatwave

Thank you for your support, understanding and cooperation during the recent hot weather.

Privacy notice for parents

The wellbeing and safety of our children are always our priority. We have taken measures to keep classrooms cool, ensure regular access to water and make sensible adjustments to activities when needed.

Unless absolutely necessary, we will always do our very best to keep the school open while ensuring that your children remain happy, safe and well cared for.

Looking Ahead

As we move towards the end of the school year, there are still many exciting events to come. Please keep an eye on school communications for reminders and updates.

Thank you, as always, for your continued support of our school community.

Have a wonderful weekend!

Karen Reeves (Head Teacher)
