Dear Parents/Carers

From the Headteacher

FSU

Firstly thank you to all parents for your understanding and support this week while we sorted out FSU ready for full opening following the loss of part of our roof! We were very lucky to have been able to get it repaired/rebuilt so quickly and FSU staff and Mr Paiano have worked hard to get it all ready so that we could reopen as quickly as possible.

The outside playground is coming on and looking good and the children are all so excited watching the work and seeing their new play area develop in front of their eyes. It should all be finished next week!

Athletics

Well done to our class 3 indoor athletics team who represented the school so well. They were a credit to the school.

Online safety

We know how important the internet is for us all and for our children in the future.

However children do often tell us about the things they are watching on the internet, the adult games they are playing and the number of social media platforms they are using. Many of these can be very harmful for our young children and we would ask you to have a little look at what your child is accessing (maybe without your knowledge) on the internet as it is so easy with a few clicks to get into things that are too grown up for them to deal with.

Thank you

Karen Reeves
